ADVISORY ON THE CONTINUATION OF TEAMSTERS LOCAL 25 BUSINESS

Teamsters Local 25 will continue its operations during the COVID-19 outbreak. All operations will continue subject to federal and state order. Currently the union office will keep its regularly scheduled hours until further notice. However, we are asking that members make appointments prior to visiting the building as there may be situations where office staffing is reduced.

All Business Agents will continue to be available at operating workplaces and through telephone and electronic communication. Agents will continue to be available to members to address workplace and contract issues.

“The ramifications of this outbreak are far and wide, however Teamsters Local 25 will still be operating throughout this crisis,” said Sean O’Brien, Teamsters Local 25 President. “We will be available for our members who continue to work through this crisis as well as those dealing with the impacts of the shutdowns and closures being ordered by the government.”

Continue to visit this page for further developments.

DUES PAYMENTS

Payments of dues for those members in industries that have manual payment of dues can be made through debit and credit card, check and online at: <http://www.teamsterslocal25.com/dues.html> We encourage these payment methods because office staffing may be reduced.
